- Display your Hot Wheels Car with a difference.
- Holds 72 or go for a larger 100 Car case.
- Front has lift off cover for easy access,
- No hinges or handles to block view of Hot Wheels collection.
- Each tier is designed to comfortably accommodate the Hot Wheels vehicle.
- Easy to expand your display as your collection grows.
- Wall mounted or freestanding display creating an impressive presentation.
- Case is made of Cast Acrylic that cuts out approximately 90% of UV rays from fading paintwork.

Our stock-standard or custom-made display cases are all individually made in-house for any vehicle model including lego, ships, vehicles, dolls, figurines, trophies, antiques and collectibles.

Protect from dust or inquisitive little... ( and no so little) fingers...

Does not include shipping.
